Greetings

The Marine Corps League, Detachment 963, Springfield, will be hosting the Department of Ohio's annual convention 13th thru 16th June 2024 at the Springfield Marriott Courtyard. The Marine Corps League is soliciting ads for the convention's program. Our ads run from \$100 for a full page, \$50 for a half page, \$25 for a quarter page and \$10 for a one line personal/business name. Please see the attached for additional information. We hope you will honor us with the purchase of an ad and help defray the costs of the convention. Any ad you purchase we would like to receive by 20 May 2024.

The Marine Corps League is a non-profit veterans organization that perpetuates the traditions and spirit of ALL Marines who proudly or who have worn the eagle, globe and anchor of the Corps. It was founded in 1923 by Lieutenant General John J. Lejeune and is the only federally chartered Marine Corps-related veteran organization in the United States.
